

Fertility Testing

Please note, if you are a pet owner or a breeder looking to perform fertility testing, contact your veterinary practice directly. Antech can only proceed with submissions from licensed veterinary surgeons. Results will only be provided to the submitting veterinary practice and we are unable to share them directly with pet owners or breeders.

Please complete in full		
Date		Vet Practice Name and Address
Animal Name		
Client Surname		
Species		Phone
Breed	Age	Email

Compulsory information needed before handling your samples			
Has this patient travelled outside the UK?	Yes	No	If yes , please specify the country or countries:
Is there any clinical suspicion for a zoonotic infection?	Yes	No	If yes, please specify:
Is there any clinical suspicion for Mycobacterium infection?	Yes	No
